Dear Mrs Filer

On behalf of the Trustees and Administrative Committee of The Auto Cycle Union Benevolent Fund I am acknowledging receipt of your cheque in the sum of £485.00, which was sent to me by Eileen Race. I understand from Eileen that this is a donation to our fund from riders at Guisborough in lieu of their awards.

As I am sure you already know The Auto Cycle Union Benevolent Fund was set up as a Registered Charity in April 1950 and our aim is to support motorcyclists suffering times of extreme financial hardship. Anyone who, at any time has been a member of an Affiliated Club or who is the dependant of a member should qualify for assistance. All money donated goes entirely to the Fund and there are no deductions for administrative costs. The Trustees rely solely upon donations and everything we receive is very much appreciated. The Fund paid out £64,025.00 in 2017 to those requesting assistance, in 2018 this rose to just short of £95,500.00 and for 2019 I estimate that we will be not far off £100,000.00 so as I am sure you can appreciate, every single penny counts.

I am proud to say that we continue to help many people from all over the UK in times of need and often in very distressing circumstances. No doubt we will, with continued support such as this, go on to help many more people in the coming years.

Please find enclosed our Official Receipt for your records and I would be grateful if you could pass on our sincere thanks to everyone at Guisborough for their generosity.

Yours sincerely
On behalf of
The Auto-Cycle Union Benevolent Fund
